

EVERYTHING I NEED TO KNOW I LEARNED FROM TREES

It's
important
to have roots.
In today's
complex world, it pays
to branch out. Don't
pine away over old flames.
If you really believe in something,
don't be afraid to go out on a limb.
Be flexible so you don't break when a harsh
wind blows. If you want to maintain accurate
records, keep a log. To be politically correct, don't
wear firs. Grow when you're planted. It's perfectly
okay to be a late bloomer. Avoid people who like to cut you
down. x Get all spruced up when you're going to Church. x If the
party gets boring, just get up and leaf. x Be proud and strong as an
oak in the spring. x As you approach the autumn of life, you can't hide
your true colors. x It's more important to be honest than poplar. x

Happy
New Year!

SOME NEW YEAR'S RESOLUTIONS:

01. Be a spiritual fruit, not a religious nut.
02. Growing old is inevitable...growing UP is optional.
03. Silence is often misinterpreted but never misquoted.
04. Do the math--count your blessings.
05. Laugh every day, it's like inner jogging.
06. If you worry, you didn't pray--if you pray, don't worry.
07. Faith is the ability to not panic.
08. There is no key to happiness. The door is always open.
09. The most important things in your house are the people.
10. A grudge is a heavy thing to carry.

"God grant me the serenity to accept the people I cannot
change, the courage to change the one I can,
and the wisdom to know it's me."
